

6.2.1 ADDITIONAL INFORMATION

The Institution has a perspective plan. The aspects considered for inclusion are:

1. Quality enhancement and improved teaching-learning environment
2. Enhancement of student support systems.
3. Improved student admissions success rate.
4. To facilitate and upgrade innovative teaching learning process through ICT
5. To make the teacher to be more of a facilitator and mentor than just a full time tutor.
6. Life skills will be an integral part in curriculum delivery.
7. To emphasize on multi-dimensional assessment and evaluation process to enable the student learning outcomes match with their employers expectations
8. To organise conferences/workshops at the regional, national and international levels
9. To upgrade the infrastructure facilities through various funding agencies such as State government, and RUSA.

The overall development of the college depends upon the funds provided by the Government.

The perspective plan has been implemented to a large extent as delineated below Admission of Students: The College has a dynamic admissions committee which takes care of admission procedure. The admissions committee draft many college visiting committees with the faculty members to visit and collects the data of Intermediate students of the local and nearby colleges to provided proper guidance to students on online admission process through OAMDC.

The college admissions were improved about 100% Industry Interaction / Collaboration:

- The college has an active placement cell which acts interface between college Industries.

- Departments encouraged to make their courses of study relevant industry.

- Guest lectures and industrial visits are arranged every academic year.

- College has established MOUs with different industries. Industrial visits and organized within and outside Chittoor to enable students to observe various techniques/processes to take up some study projects and upgrade knowledge.

Human Resource Management: At the end of each academic year, department heads, Principal assess the need for guest faculty appointment. New appointments are made in keeping with university and government criteria. Proper mechanism of followed meticulously.

All schemes of staff welfare are followed as per the standard code book, regulations, According to Government norms. • Staff and students motivated to participate in various workshops and seminars. • Faculty takes feedback from students periodically. A performance appraisal system for teach non-teaching faculty is in place. Library, ICT and Physical Infrastructure / Instrumentation. The College regularly upgrades its amenities and infrastructure to meet changing needs.

The key change this year is highlighted below:

1) Library users can make use of library resources and services, adequately to their satisfaction. The college library has Textbooks, journals magazines, Newspapers and Reference books. Our college has a digital library with 20 computers and internet facilities to students.

2) ICT facility and other learning resources are adequately available in the institution for academic and administrative purpose. • All Departments are provided with desktop, internet connection.

3) Digital class rooms are provided with LCD projector, WiFi facility and 1 virtual class rooms are have Room with WiFi Audio Visual facilities. The college has been quick to adopt to online teaching during the pandemic and subsequent lockdown. APCCE, Vijayawada has conducted Online training for teachers and the faculty members gave awareness on online teaching learning and evaluation tools and methods to the students. Selected trainee teachers of various

subjects have prepared video lessons and e content and placed in AP LMS portal which are accessible to all the students throughout the state. Faculty of our institution have prepared question banks as per the AP CCE Guidelines and are available at CCE Portal. •Physical infrastructure and Instrumentation are properly maintained. We have a very big auditorium for Sharing of facilities for interdisciplinary and multidisciplinary programs. Renovation of Auditorium was taken up with RUSA funds, Paintings to the college buildings, doors and windows. Placements and trainings: The Institute have set their priorities in employment generation for the students. The JKC cell, Career and placement cell comprising of senior and experienced coordinators to monitor the placement activities and training in Aptitude, Verbal & Soft Skills as a result during the academic year 2023-24 number of students have received job offers from campus recruitment.

Coaching for Clerical and Technical examinations (Group 3 and 4)

The competitive classes session was organized by department of mathematics from 11.12.2023 to 15.12.2023 for B.4 students to make them aware about various opportunities and trends in the field of groups examinations particularly technical and clerical examinations after graduation. Dr. K. Manohar, Principal gave a brief introduction about scope in the above mentioned field and career opportunities after graduation.

Smt. P. Sekhalatha, lecturer in Mathematics explained by giving examples of various successful people that how they achieved the status inspite of having lack of facilities and financial support. Also explained basic office duties, key responsibilities and role of a clerical officer.

Syllabus :

Clerical Examination Prelims Pattern

- English language 30 questions
- Numerical Ability 35 questions
- Reasoning Ability 35 questions

Mains Pattern

- Reasoning Ability & Computer Aptitude 50 questions
- English language 40 questions
- Quantitative Aptitude 50 questions
- General Awareness 50 questions

total 190 questions

Also explained effective tips to crack the
 clerical and technical examinations in Government
 Sector. Government Exams are one of the most
 sought-after exams in India. Getting through
 a government exam is a dream come true
 for many aspirants due to the advantages it
 offers in terms of security and stability even
 post-retirement. All students participated
 actively for this class on Schedules

Attendance (11.12.2024 to 15.12.2024)

2023-2024

Course Name : Online examination Guidance
and preparation of Resource

Course date and duration : 1/11/2023 to 15/11/2023 ~ 15 Days

Time : 4 to 5 pm

Creating online exams for students is one thing, making rules for online exams is another. Both are equally important to your students' success and testing experience. In addition to common test rules, be cognizant of other rules and accommodations you may need to include.

Whether you're new to online tests or just looking for some new tips, this blog post will show you how to effectively make rules for online exams that avoid confusion and guide your students to a successful online testing experience. You must use a functioning webcam and microphone.

No cellphones or other secondary devices in the room or test area.
