### PRINCIPAL MESSAGE

I am happy to note that the college has successfully organized various activities related to **National Science Day**, encouraging scientific awareness and participation among students. The **Second Year, Fourth Semester internal examinations** were conducted smoothly with the support of faculty and students. I appreciate the efforts of all departments in carrying out **departmental activities** and actively working towards **admissions for the coming academic year**. I congratulate the staff and students for their dedication and wish them continued success in academic and institutional development.

## 1. STAFF CHIEVEMENTS (Awards and achievements)

Dr. J. Rama Devi published a research paper titled “Trends in Corporate Governance: A Review of Global Practices and the Indian Context” in the International Journal of Creative Research Thoughts (IJCRT). The paper was published in **Volume 14, Issue 2 (February 2026)**. The study reviews global corporate governance practices and discusses their relevance in the Indian context, contributing valuable insights to the field of management and governance studies.

**P. Sobha Latha**, Lecturer from **Smt. NPS Government Degree College for Women, Chittoor**, participated in a **One-Day National Level Workshop on “Financial Education: A Life Skill under NEP 2020”** held on **9th February 2026**. The workshop was organized by various departments along with IQAC at **Sri Venkateshwara Government Arts & Science College (Autonomous), Palem, Telangana**, in collaboration with the **Association of Mutual Funds in India (AMFI)**. The workshop focused on promoting financial literacy, investment awareness, and the importance of financial education for personal and professional development. It provided useful knowledge about savings, mutual funds, and financial planning. At the end of the program, participants were awarded certificates.

**SRI VENKATESHWARA GOVERNMENT ARTS & SCIENCE COLLEGE (AUTONOMOUS), PALEM-509215, NAGARKURNOOL DIST. TELANGANA, INDIA**  
**NAAC B+, With 2.74 Grade, ISO CERTIFIED: 9001:2015**

 **PARTICIPATION CERTIFICATE** 

This is to certify that **P SOBHA LATHA**  
Lecturer , Smt NPS Government Degree College for Women (A) Chittoor

has participated in One-Day National Level Workshop on **“Financial Education: A Life Skill Under Nep 2020”** on **09<sup>th</sup> February, 2026** Organized by the **Department of Mathematics, Commerce, Computer Science, Economics, English & IQAC, Sri Venkateshwara Government Arts & Science College (Autonomous), Palem-509215, Nagarkurnool Dist., Telangana, India., in Collaboration with Association of Mutual Funds of India**

  
CEO, AMFI  
(Venkata Nageswar Chalasani)

  
Principal & Convener  
(Dr. P. Ramulu)

 

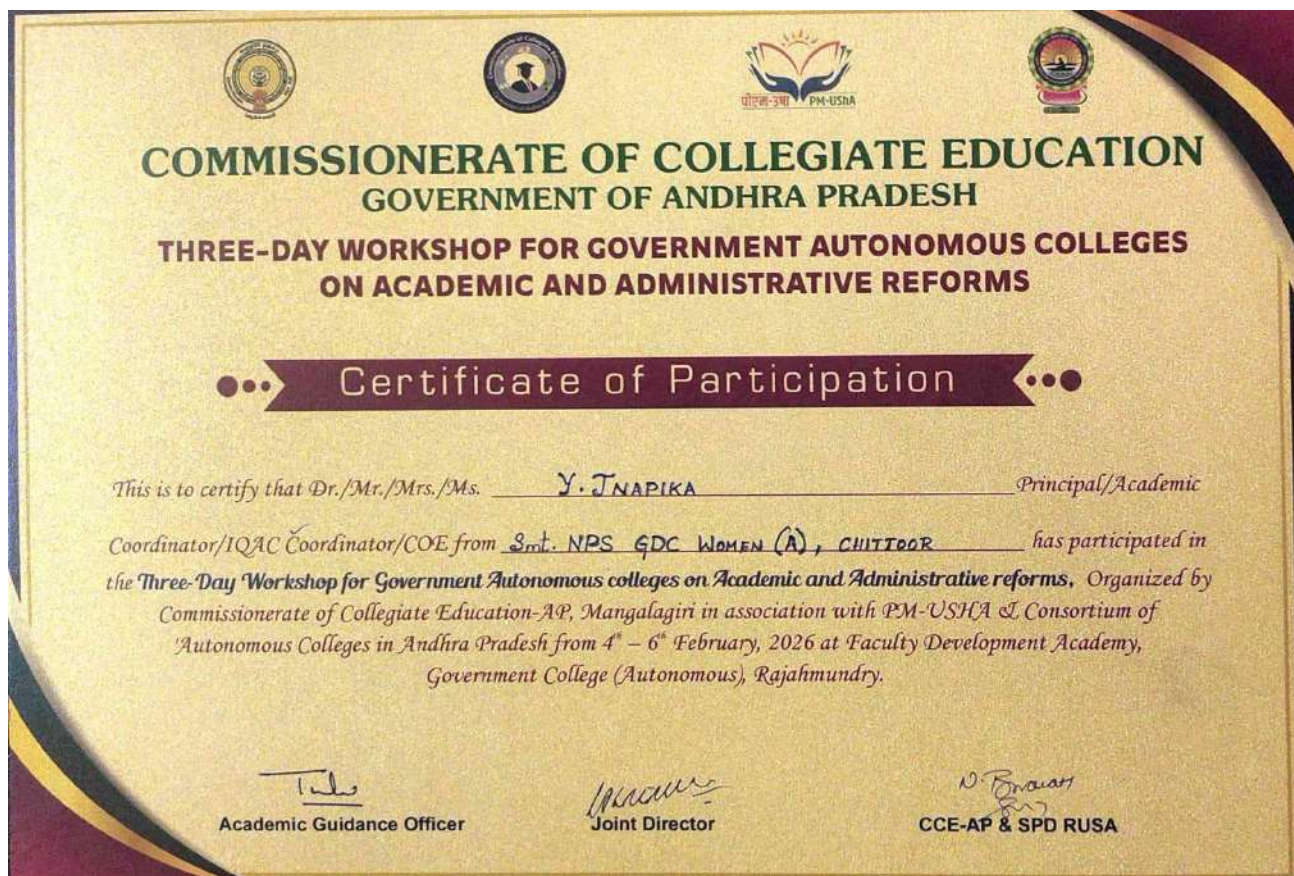

**Association of Mutual Funds of India** Made for free with Certify'em

**Y. Jnapika** from **Smt. NPS Government Degree College for Women (Autonomous), Chittoor**, participated in a **Three-Day Workshop for Government Autonomous Colleges on Academic and Administrative Reforms** organized by the **Commissionerate of Collegiate Education, Government of Andhra Pradesh, Mangalagiri** in association with **PM-USHA** and the **Consortium of Autonomous Colleges in Andhra Pradesh**.

The workshop was conducted from **4th to 6th February 2026** at the **Faculty Development Academy, Government College (Autonomous), Rajahmundry**. The program focused on strengthening academic practices, administrative reforms, and improving the quality of higher education in autonomous colleges.

The workshop provided valuable insights into academic planning, governance, and quality assurance in higher education institutions. Participation in this program helped enhance knowledge on institutional development and effective administration.

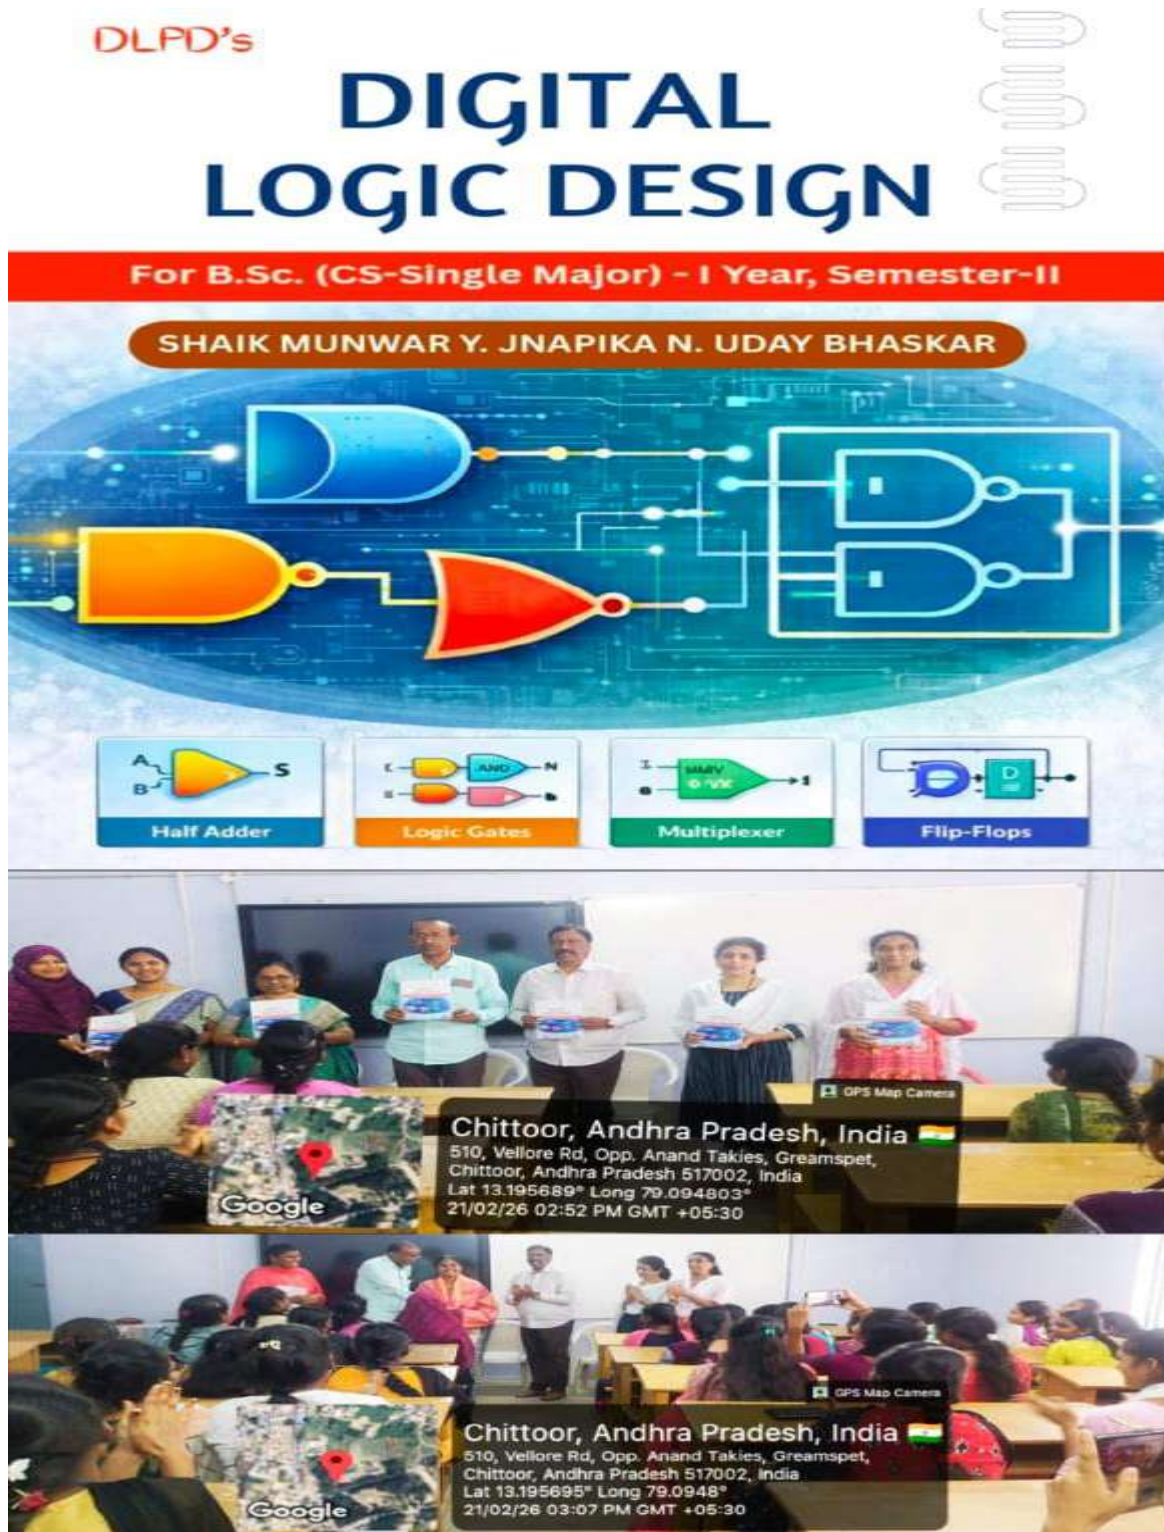

**Dr. J. Rama Devi** attended the **Apprenticeship Embedded Degree Programme (AEDP)** at **Government Institute of Chemical Engineering, Visakhapatnam**, organized under the guidance of the **Commissionerate of Collegiate Education, Government of Andhra Pradesh**.

The Programme focused on integrating academic learning with industry-based apprenticeship training to enhance students' practical skills and employability. The sessions highlighted the importance of experiential learning, industry collaboration, and skill development in higher education. The Programme was informative and beneficial in understanding the implementation of apprenticeship-based degree programmes in colleges.

**Y. Jnapika**, Lecturer in Computer Science, authored a book titled “**Digital Logic Design**” for **I B.Sc. Computer Science (Major)** students. The book was formally launched with the support of the **Principal** and senior faculty members of Smt. NPS Government College for Women.

The book aims to help students understand the fundamental concepts of digital logic and computer architecture in a simple and systematic manner. During the launch event, the Principal and faculty members appreciated the efforts of the author and encouraged such academic contributions that support student learning and academic excellence.

**Dr. Siva Raagini Polakala** from **Smt. N. P. Savithramma Government College for Women (Autonomous), Chittoor**, successfully completed a **One-Week (6-Day) Online Short-Term Training Program on “Artificial Intelligence for Education and Society.”**

The program was organized by the **Malaviya Mission Teacher Training Centre** at **National Institute of Technology Warangal** under the **University Grants Commission Malaviya Mission Teacher Training Programme**. It was conducted from **4th to 10th February 2026**.

The training program focused on the applications of Artificial Intelligence in education and its impact on society. It provided useful knowledge on modern teaching methods, digital tools, and the integration of AI in higher education for improving teaching and learning practices.

## 2. STUDENTS ACHIEVEMENTS

### (Awards and achievements)

A student named Shaik Almas from II BBA, has been selected for a **National Integration Camp** organized at the national level. It highlights the student's achievement and recognition for representing our college.

## 3. COMMUNITY CORNER

### (Extension and Achievements)

#### All Departments Are Progression In Admission For Coming Academic Year

All the departments of **Smt. N. P. Savithamma Government College for Women (Autonomous), Chittoor**, are actively making progress in the **admission process for the coming academic year**. Faculty members are creating awareness among students through counseling, outreach programs, and promotion of various courses offered by the college.

Departments are coordinating with the admission committee to ensure smooth and effective enrollment of students. The collective efforts of all departments aim to increase student admissions and strengthen the academic programs of the institution.

#### Brief Report – National Women's Day

The **Women Empowerment Cell** of **Smt. NPS Government College for Women** organized an **awareness programme on National Women's Day** on **13 February 2023** in **Room No. 214**. A total of **69 students** participated in the programme.

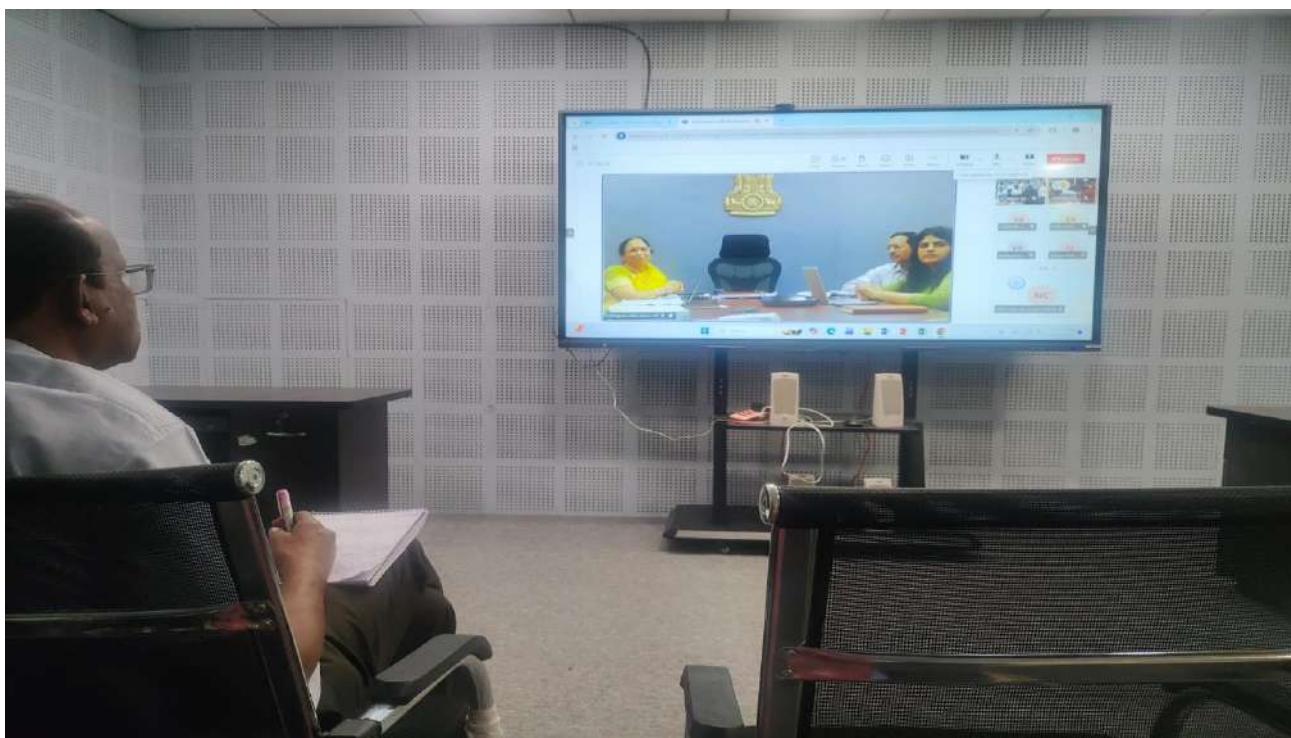

The event was inaugurated with a welcome address by **Dr. G. Usharani**, who also created awareness about the significance of National Women's Day and the role of women in society. Faculty members including **Dr. S. Shamsakthar**, **Dr. M. Sandhya Rani**, **Dr. Kausar Jaha Begum**, **Smt. P. Sobhalatha**, and **Dr. J. Rama Devi** addressed the students and highlighted the importance of women's empowerment, education, and equality.

The programme created awareness among students about the achievements and contributions of women and encouraged them to work towards a more inclusive and equitable society.

A **Review Meeting** on various **autonomous aspects** was conducted by the Commissionerate of Collegiate Education (CCE) on **20-02-2026**. The **Principal and staff members** of Smt. NPS Government College for Women participated in the meeting.

During the meeting, important matters related to the functioning of autonomous colleges, academic planning, examination procedures, and quality improvement were discussed. The session helped the faculty and administration understand the guidelines and initiatives for strengthening the effective implementation of autonomy in the institution. □

### **Report on National Science Day Activities**

On the occasion of **National Science Day**, the **Science Departments**—Computer Science, Mathematics, Statistics, Zoology, Chemistry, and Microbiology—of Smt. NPS Government College for Women jointly organized various student activities on **27 February** to promote scientific thinking and creativity among students.

The events included **JAM (Just A Minute), Quiz, Knowledge Quest, and Poster Presentation**, all conducted in line with the theme of National Science Day. A large number of students actively participated in these competitions and demonstrated their knowledge, communication skills, and innovative ideas related to science and its applications.

The programme aimed to create awareness about the importance of science in everyday life and to encourage students to develop curiosity and interest in scientific learning. The winners of the competitions were **awarded prizes on 28 February** in recognition of their outstanding performance.

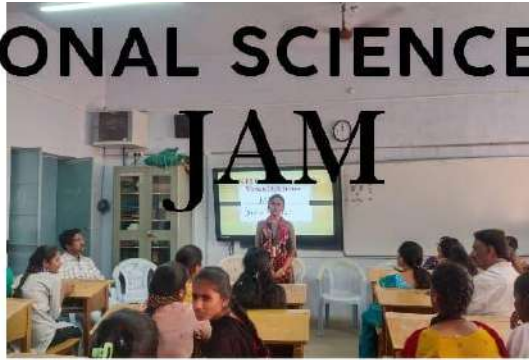

The event was successfully organized with the support and cooperation of all science faculty members, making the celebration informative, engaging, and inspiring for the students.

## 4. NEWS FROM DEPARTMENTS (Departmental Activities)

The Department of Zoology organized an awareness programme on the occasion of World Cancer Day on 4 February 2026. The session focused on the theme of early detection, prevention, and current trends in cancer management. Both students and faculty participated actively and gained clear, evidence-based insights into cancer risk factors, symptoms, screening methods, and preventive practices.

## Educational Tour

The Department of Zoology organized an educational tour to Sri Venkateswara Zoological Park on 06 February 2026 to provide students with first-hand exposure to biodiversity, wildlife behavior, and conservation practices. During the visit, students observed a wide range of fauna and explored conservation initiatives undertaken by the zoo authorities. The tour also included a visit to the Science Centre and Sri Venkateswara University, Tirupati. The field experience enriched their understanding of ecology, wildlife protection, and environmental awareness.

The **Department of Zoology** conducted an **online examination** for the **Value Added Course on Environmental Biology** on **17 February 2026**. The examination was organized to evaluate the students' understanding of the concepts covered in the course and to assess their knowledge of environmental issues and biological aspects related to environmental conservation.

Students who enrolled in the value added course actively participated in the online examination. The test helped measure their comprehension of the subject, analytical skills, and awareness of environmental protection and sustainability. The successful conduct of the examination ensured proper assessment of students' learning outcomes and overall performance in the course.

The **Department of Zoology** organized the **Valedictory and Certificate Distribution Programme** for the **Environmental Biology Course** on **20 February 2025**, marking the successful completion of the programme. The event was conducted to acknowledge the students who actively participated in the course and successfully completed all the required academic activities.

During the programme, certificates were distributed to the students in recognition of their efforts and dedication throughout the course. The event highlighted the importance of environmental awareness and encouraged students to apply the knowledge gained for the protection and conservation of the environment. The programme concluded with appreciation for the students' participation and commitment to learning.
