

## Department of Chemistry

### **vision**

***To educate young women students and prepare them in various fields like teaching, employment and research to be dynamically competent enough for a diverse and changing world and to create interests and passion, in the study of chemistry, in professional courses, as a part of curricula.***

## Mission

- ❖ To awaken the young minds and discover their talents both in theory and in practical chemistry.
- ❖ To support the developmental activities of the College and make the Department vibrant.
- ❖ to educate and train students to take up environmental and global related issues.
